Contact Us

Location [Room JSOM 22.209](#)

Contact: bcc@utdallas.edu | [\(972\) 883-5385](tel:(972)883-5385)

Hours: Mon – Fri: 8:30 AM to 5:00 PM

The BCC provides one-on-one assistance with:

- **Written and Verbal Communication:** Get feedback with written assignments, presentation practice, and publication drafts
- **Professional Development:** Receive feedback on résumés, cover letters, and job interview questions, and learn strategies for using AI tools effectively

[Back to Top](#)

[Resources](#) <

Guidelines:

- **Sessions:** 30 minutes.
- **Attendance:** If you are 10+ minutes late, your appointment may be forfeited.
- **Booking:** Book an appointment on the BCC website to guarantee a spot. Walk-ins are also welcome if a tutor is available
- **What to Bring:** A laptop, tablet, or physical copy of your assignment

BA 1105 & 3105: Preparing Undergraduate Students For The Professional World

[Back to Top](#)

[Learn more about our program](#)

- All incoming JSOM students are required to complete our introductory course on professional development and academic success. We prioritize preparing students early in their academic journey to meet the challenges of today's professional world. This foundation includes:
- Building a personal brand and developing a strategy for professional growth by researching careers and companies that align with their goals.
 - Communicating skills effectively through conversations, job search portfolios, and networking.
 - Leveraging creativity and AI tools to gain a competitive edge in the job search process.

The course concludes with a collaborative group presentation, where students research company information and present it in an engaging format. This project strengthens presentation skills and provides meaningful career insights for students exploring new paths.

Critical Thinking & AI Integration

- Our program integrates Microsoft Copilot into every class session to enhance learning. The goal is to help students become confident in prompting and interacting with generative AI tools while maintaining ethical standards. By the end of the semester, students will be able to combine creativity and critical thinking with Copilot to research companies and careers, build resumes, optimize LinkedIn profiles, initiate professional networking conversations, and more.

Students: [Discover how Copilot can help you succeed.](#)

➤ Digital Badges for Undergraduate Professional Development

Through WisePath (powered by Suitable), students in our undergraduate professional development courses can earn exclusive digital badges by participating in workshops and activities that build practical, career-ready skills. Earning these badges demonstrates a commitment to professional communication, continuous learning, and workplace preparedness. All badges are awarded by the Business Communication Center with the approval of the Director of Professional Development. Badges are verifiable through the WisePath app and can be showcased on resumes, LinkedIn profiles, and other professional portfolios.

— Top Performer

- Consistently attended and participated in all weekly class meetings.

[Back to Top](#)

Resources <

- Showcased effective time management skills by completing professional development activities while balancing academic responsibilities.
- Successfully completed the Professional Development course as a Top Performer and received recognition from the Director of Professional Development.

— Networking Specialist

- Successfully completed the AI Networking Challenge, showcasing the ability to build meaningful professional connections through AI-simulated informational interviews and networking scenarios.

— AI Job Search Specialist

Demonstrated proficiency in the ethical use of AI to gain a competitive advantage in the job search process by applying the Human-AI Interaction competencies of Delegation, Description, Discernment, and Diligence to develop application materials and critically evaluate AI-generated recommendations.

> — Presentation Specialist

- Completed at least 3 Business Communication Center presentation practice sessions and applied feedback to enhance clarity, organization, and audience awareness.
- Demonstrated proficiency in presenting in both in-person and virtual environments.
