FAQS

Learn the answers to frequently asked questions about The University of Texas at Dallas Gaming and Esports Program.

What is Comets LANDING?

Comets LANDING is our community Gaming & Esports Center [located in the heart of campus](#); across from the Founders Building and adjacent to our Student Union. Access is free for UTD students, faculty and staff. [Learn more about the Gaming & Esports Center.](#)

How can I get involved?

In addition to our competitive teams, UTD students have the opportunity to get hands-on experience in facility management, broadcast production and social media content creation.

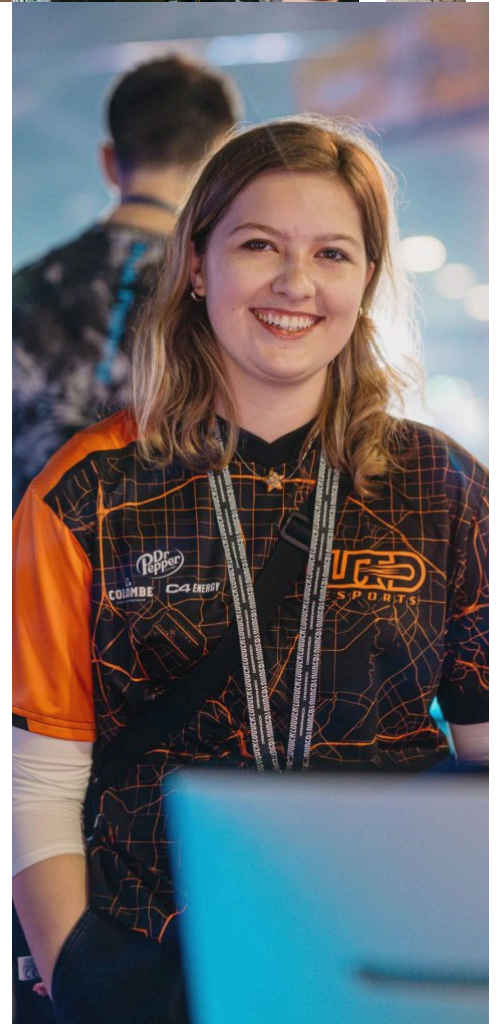

Interested in joining our student staff? Learn about our open positions on [Handshake](#) and [Discord](#).

When are varsity tryouts held?

Varsity applications open in the summer and tryouts are hosted the first week of the fall. Watch our [news](#) and [social media](#) channels for announcements.

Do you offer summer camps?

The University of Texas at Dallas offers gaming and esports summer camps for boys and girls ages 7-13. Campers enjoy a fun environment playing in the largest collegiate esports facility in the country. Campers learn sportsmanship, teamwork and how they can get involved in gaming at their elementary or middle school. Camp registration typically opens in the spring; keep up to date with any [news](#) on our website.
