CAREER PREPARATION

The Jonsson School Office of Undergraduate Advising is working to improve response time to emails. In the meantime, please help us by doing the following:

For information about courses and prerequisites, review our [degree plans and flowcharts](#).

For all other questions, email ecs_ugadvising@utdallas.edu.

Office: [ECSS 2.502](#)

Do not email multiple addresses as it slows down the process. We are prioritizing registration for engineering and computer science students. Other concerns?

Email [Kim Calvert-Gibson](#), Interim Director of Advising, [Dr. Stephen Crynes](#), Director

of Advising, or [Dr. Joshua Summers](#), Interim Associate Dean for Undergraduate Education.

Please see below for the types of assistance we can provide by email and video chat.
