Academic Resources

Access information about tutoring, transcripts, the academic calendar, courses, libraries, advising and the testing center.

Related Pages

Advising

Knowledgeable professionals in [Academic Advising](#) will help you navigate your degree program every step of the way.

Calendar

UT Dallas' academic year is based on three semesters: fall, spring and summer. View the [academic calendar](#).

Catalogs

The [course catalog](#) lists current academic policies, degree programs and other information pertaining to students' studies at UT Dallas and should be reviewed often.

Courses

[CourseBook](#) allows students to look up courses and get details about scheduling, locations, syllabi, textbook information, evaluations and instructor curriculum vitae.

Libraries

[Eugene McDermott Library](#) provides access to relevant, authoritative and scholarly resources. Callier Library's [Information Literacy program](#) helps students, faculty and staff develop library research skills and competent information use.

Testing Center

UT Dallas' [Testing Center](#) provides students with a comfortable and secure testing environment for online/paper exams, quizzes, instructional testing and assessments.

Transcripts

Students and former students may order official transcripts by signing in to Orion through [Galaxy](#). If you don't have Orion access, use the [former student reactivation form](#) for temporary access. For more information, visit the [transcript page](#).

Tutoring

The [Student Success Center](#) assists students in meeting their academic goals across multiple subject areas.
