Announcements & Updates

Welcome to the Office of Financial Aid!

Federal financial aid changes took effect July 1, 2026. Learn how these updates may affect your financial aid eligibility and planning for the 2026–2027 academic year and beyond by visiting the [Federal Updates page](#).

The 2027-2028 FAFSA is Available!

We are pleased to announce the FAFSA application for the **2027-2028** academic year is now open! Students are encouraged to submit their FAFSA application by the [priority deadline](#) to be considered for all forms of financial aid and avoid processing delays. *It's important to note that we are unable to provide information regarding your 2027-2028 eligibility or status until we have received and processed your application.*

Information you may need:

- Your parents' SSNs if you're a dependent student
- 2025 Tax returns
- Records of child support received
- Current balances of cash, savings, and checking accounts

May I help you?

Hi there! I'm a chatbot here to answer your questions. What would you like to know?

- Net worth of investments, businesses, and farm
- **Make sure each contributor to the FAFSA has their own email address.**
 - Contributors who use the same email address will not be able to successfully complete the FAFSA.
- **If you or your parent(s) don't already have an FSA ID, create one before starting the FAFSA.**
 - Whether you're a student, parent, or borrower, you'll need to create your own account to apply for, receive, and manage your federal student aid.
 - Go to the [FSA Create an Account website](#) to create your account, preferably at least three days before filling out the FAFSA.
- **Try to complete the FAFSA at one time, from start to finish.**
 - It may take anywhere from 10 minutes to about an hour to complete.

After all sections of the online FAFSA form are completed and submitted, you will receive a confirmation email noting your submission date, your estimated Student Aid Index (SAI), and estimated Federal Pell Grant eligibility. However, you will not receive a FAFSA Submission Summary (FSS) until FSA processes your FAFSA.

Once your application is received, we will process your application and determine your financial aid eligibility, followed by an email notification from the Office of Financial Aid. Please be sure to monitor your email regularly for updates.

2027-2028 TASFA is Available!

The 2027-2028 TASFA form is available. You can complete the 2027-2028 TASFA online on at the [Texas Higher Education Coordinating Board website](#) or access the paper form on our [Forms page](#).
