

Writing Center

The Writing Center provides constructive feedback and writing support for undergraduate students through one-on-one tutoring sessions.

Writing Center Mission Statement

The UTD Writing Center philosophy stems from the peer-to-peer model of collaborative learning. Students and Peer Leaders engage in one-on-one conversations about their work and Peer Leaders will lead sessions by asking open-ended, engaging questions which allow the student to take ownership of their own writing. The Writing Center aims to provide direct, honest feedback to students in each tutoring session. The main goal of our Writing Center is to help the writer, not just the piece of writing.
